# Place your question, inside the star map.

A reflective divination app that brings tarot,
birth charts and two-person synastry into one map.

For people aged 18-35 navigating uncertainty in work, identity and relationships.
It keeps the ritual, while replacing fixed fortune with clues you can observe and revisit.

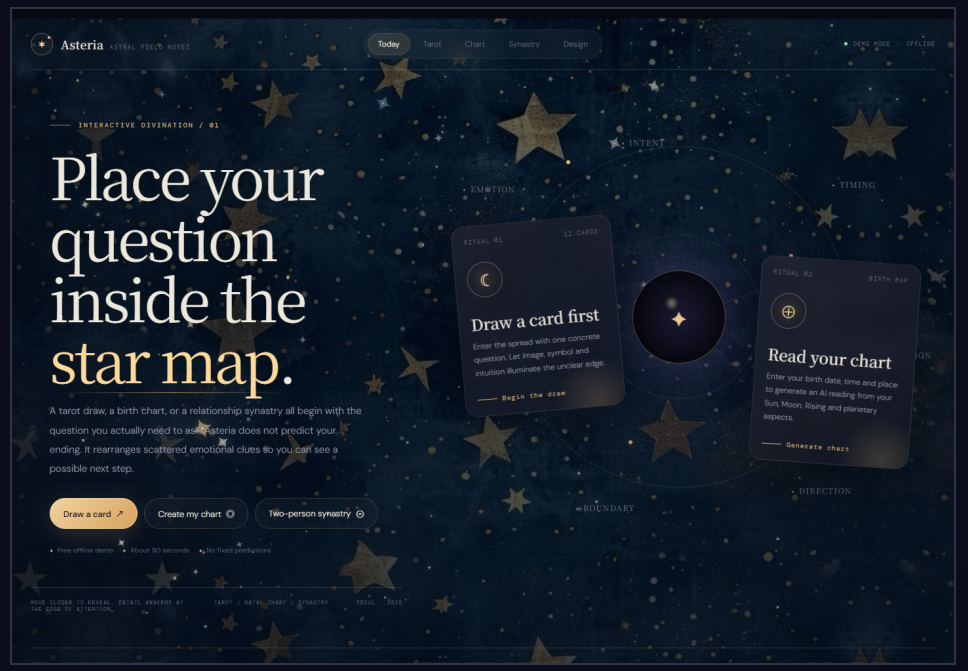

---

**INPUT**

Should I change jobs? · One-card tarot draw

**OUTPUT · The Hermit · Upright**

Try a seven-day low-noise review before deciding whether the urge to leave comes from a long-term value mismatch or short-term exhaustion.

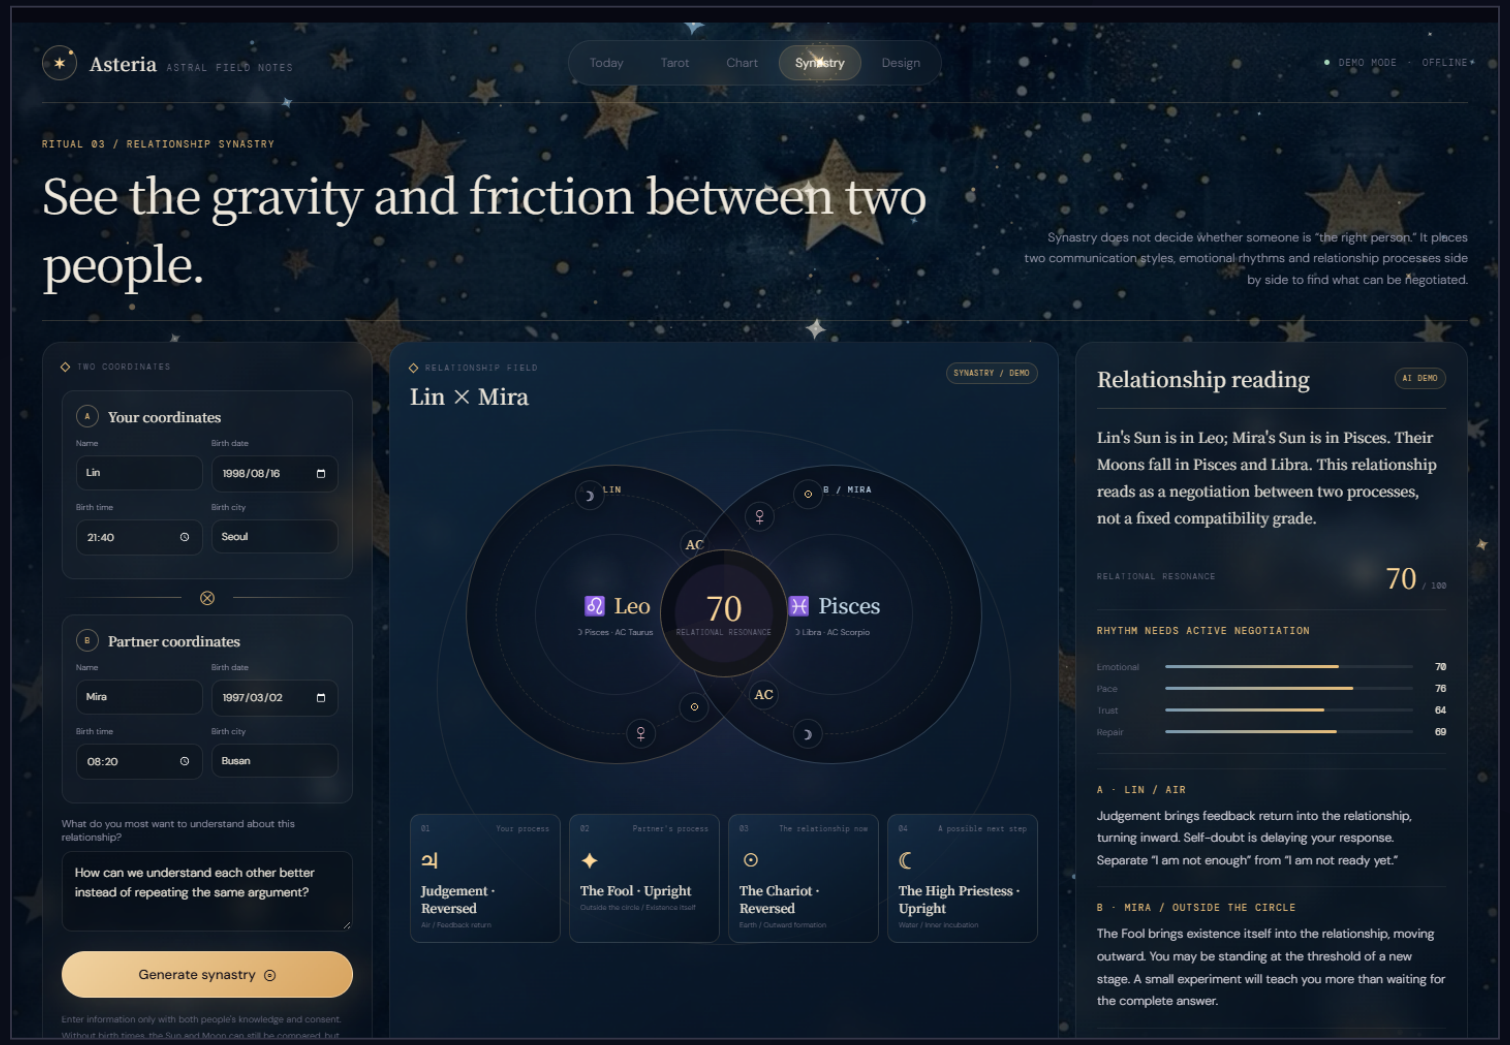

**LIVE PROTOTYPE / HOME**

Fisheye is not decoration.
Move closer to enlarge cards and planets; click to hold the reading in focus.

SCREEN DESIGN / USER FLOW

# Main screens and user flow

Live interface. Enter on the left, explore in the center, read on the right.

## Three paths, one reflective structure

**01 TAROT**

Question → Shuffle / Draw → Reflection

**02 BIRTH CHART**

Birth data → Chart → Focus a planet

**03 SYNASTRY**

Both profiles → Score dimensions → Advice

**EDGE CASES**

Missing birth date: block generation.

Missing time: keep Sun/Moon; treat Rising as an interval.

Model unavailable: use the offline reading template.

Prototype: Streamlit + HTML/CSS/JavaScript / Delivery: GitHub + Streamlit Cloud
